

## WayUp 3™ Mobile Hoist

Product Code - APH083

The **WayUp 3** mobile hoist has been designed as a compact stand and assist aid. The electric **WayUp 3** can be used for transfer stand and assist, featuring a multi-adjustable lift boom with an ergonomic lift angle designed to minimise shear and friction when lifting. Simple electric adjustment helps to manoeuvre the stand assist into small or confined spaces. The base legs can be electrically adjusted for added stability.
